

Lola Sofa Bed

The clean, tailored lines and minimalist anthracite steel floating base belie the true nature of the Lola Sofa Bed. Swiftly this seemingly simple sofa transforms with a semi-automatic pull out mechanism into a bed for two. Perfect for the unexpected house guest or studio apartment resident, form and function come together to create a truly functional piece of furniture. A steel frame supports a pocket-spring seat topped with high-resilient polyurethane foam with fabric lining. Optional high or low armrests configurations are available.

Dimensions

See reverse for specifics and configurations.
Bed size of 145x200cm.

Composition

Steel seat and backrest frame are paired with 16cm thick pocket spring system, covered with high-resilient polyurethane foam and fabric lining.

Solid wood armrests with MDF and plywood reinforcements are covered with polyurethane foam and fabric lining.

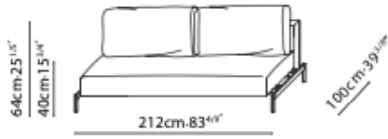

Available in either Luxe-04 Navy fabric or Linear-01 Sand.
