

## Pixel Storage Range

Streamlined and sleek in aesthetics, Pixel series provides ample storage space without being overly bulky. Finished in beautiful matte Denim Grey Lacquer or matte Tuscan Tan Lacquer, the Pixel Cabinet brings clean contemporary organization to any space. Exquisite driftwood melamine interior adds an organic element of warmth. This design showcases the clever play of space and materials, providing a perfect fusion of style and practicality. Each of the cabinet range have tempered transparent glass shelves for a touch of class.
