# Dots Metal

"The characteristic little family of hooks is a friendly addition to any wall. The Dots Metal are proud of their round edges and will treat your clothes with the greatest care. They will also let you arrange them on your wall in the pattern you like. Being a very social set of hooks, The Dots Metal love to welcome other Dots to join them on the wall."

— Lars Tornøe

Designed by	Lars Tornøe / 2016
About the designer	Lars Tornøe has won several awards such as Designer of the Year in Norway and the Award for Design Excellence. His work has been shown at many international exhibitions and The Dots for Muuto was part of the formerly exhibition at the Danish Design Centre.
Environment	Indoor
Country of Production	China
Preassembled	Yes - Mount to wall.
Description	Taking a playful approach to the conventional coat hook, the Dots Metal bring a contemporary and industrial touch to any hallway, bedroom or kitchen as well as hospitality and workplace projects. Combine the design across various colors and sizes along with the Dots Wood and Dots Ceramic for a unique expression.
Material	The Dots Metal is made from anodized solid aluminum. Produced on a CNC lathering machine, carefully lacquered and packed.
Cleaning & Care	Clean with a moist cloth. If necessary, use a mild detergent. Wipe the surface dry with a lint-free cloth.
Spareparts	Dots Metal are sold with a French screw with M5 thread and M5 screw with metric thread.
Additional Information	Sold separately or in Set of 5 (1 x Ø5 cm , 1 x Ø3,9 cm, 3 x Ø2,7 cm)
